Brief description of training in words and with photographs:

Dr. Jivraj Mehta Institute of Technology, Mogar managed by Charuttar Education and Navrachana Trust (CENT), organized a Gujarat Environmental Management Institute (GEMI) Sponsored One Day State Level Training Programme on 'EFFECTIVE OPERATION AND MAINTENANCE (O&M) OF SEWAGE TREATMENT PLANTS (STPs) AND EFFLUENT TREATMENT PLANTS (OTPs)' at Ramanujan Hall, DJMIT Campus on 8th February 2024, Thursday.

Dr. Devang Shah briefed about GEMI activities and the 'MISSION LIFE' of the Government to protect and preserve our environment and to make the citizens 'Pro-Planet Champions'. Mr. Yug from GEMI remained present through virtual platform.

During the session renowned experts, Dr. Drashti K. Bhatt and Dr. Devang A. Shah focused on bringing awareness and on elaborating on the importance and methodology of effective O&M of STPs and ETPs and how proper O&M can save crores of rupees invested and save us all from health and environmental hazards.

More than 87 participants took advantage of the sessions. DJMIT also arranged a high tea and lunch for all present during the function. They were also given an eco-friendly kit and Certificates.
